By submitting this form you attest to the following:

- I have watched the WVEMS Protocols **2022 YouTube** Update
- I have access to the WVEMS **Protocol App** (or the 2022 pdf):
 - <http://onelink.to/xu9aq8>
- I have reviewed and understand the **2022 changes** including:
 - Updates to PEEP, causes of HTN, PO pain meds, glucagon routes of admin, TXA indications, avoid hyperventilation and dual sequential defib, expanded refusals including 14-17 y/o, the Handtevy pediatric standard, and critical care updates
- I have received specific training for additional "**red dot**" skills and medications up to my level of training including:
 - EMTs: supraglottic airways, CPAP, PEEP, capno; AEMTs: OGT
 - Intermediate/Paramedic: medications for patient restraint
- Any remaining concerns have been addressed by my training officer. I understand that prior versions of the WVEMS Protocols are also included in the app and I will continue to use my last approved version until authorized for **2022** by my squad & OMD.
